

# Hampshire Horsewatch Local Co-ordinator Aide Memoire

## **Hampshire Horsewatch**

Hampshire Horsewatch functions for the benefit of the equine community. Membership is free to both children and adults. There is no joining fee and no annual subscription. Membership provides you with support, advice and information on protecting your horses, equipment, land, vehicles and other property. Hampshire Horsewatch focuses very much on Preventative Measures which includes crime, fire and road safety advice.

Hampshire Horsewatch through attendance supports many equine events throughout a year. It also organises an annual horse show in the spring.

The success of Hampshire Horsewatch is very much down to the members, whose involvement can be as great as time, interest and other commitments permit. In many ways "just being there" counts for so much, however many members elect to do more by becoming Local Co-ordinators.

## **Local Co-ordinators**

Local co-ordinators are an important link in the success of Hampshire Horsewatch, whose primary aim is the reduction and prevention of equine related crime. They are at the grass roots of the equine community and play an invaluable role in sharing information between the equine community, Hampshire Horsewatch and other organisations.

## **Above Local Co-Ordinators**

Above the local co-ordinators there is Hampshire Horsewatch Committee. The Central Committee meet every six weeks. Should a local co-ordinator wish to speak to a member of the Committee about a matter in the first instance call David Collings on 07867 972868 or e mail [enquiries@hampshirehorsewatch.co.uk](mailto:enquiries@hampshirehorsewatch.co.uk)

## **Equine Liaison Officers**

Hampshire Horsewatch has created the position and role of Equine Liaison to support the Committee and membership. This role is undertaken by those who have more hands on involvement within Hampshire Horsewatch.

## **Hampshire Horsewatch Web Site**

The web site has been restructured and is now found at [www.hampshirehorsewatch.co.uk](http://www.hampshirehorsewatch.co.uk). This site provides a lot of useful information and should be referred to for Preventative Measures advice, information for yourself and others. It is not a definitive list and should be seen as a "starter". Further advice or direction should be taken from those organisations where specific information is required. As always the Internet is a good place to look for information.

## **Hampshire Constabulary**

The police service within Hampshire and the Isle of Wight is seeking to engage closer to its communities. How it achieves this varies locally but may include Improved Neighbourhood policing, employing Police Community Support Officers and introducing Police Beat Managers. For further information check out: [www.hampshire.police.uk](http://www.hampshire.police.uk) under the section "Your Local Policing Team".

## **Country Watch**

Hampshire Constabulary polices rural matters through its Country Watch scheme. See [www.hampshire.police.uk](http://www.hampshire.police.uk) under Rural Policing for more information.

By providing feedback and rating the relevance of the Alert the police can ensure that they deliver the right information.

### **UK Horsewatch Alliance**

Hampshire Horsewatch and a number of other county representatives of Horsewatch groups have joined together to create "UK Horsewatch Alliance". The group work constructively together as an Alliance of Horsewatch Schemes. Other counties will join the Alliance in due course so strengthening the ability to communicate and network on equine related matters where it concerns crime reduction and prevention. The web site for the group is [www.ukhorsewatch.org.uk](http://www.ukhorsewatch.org.uk) where you can search for links to other Horsewatch schemes.
